

EMPLOYEE SURVEY « Starter »

The effective instrument for
sustainable company management

ValueQuest

The Swiss specialist for employee surveys and
leadership feedback

www.valuequest.ch

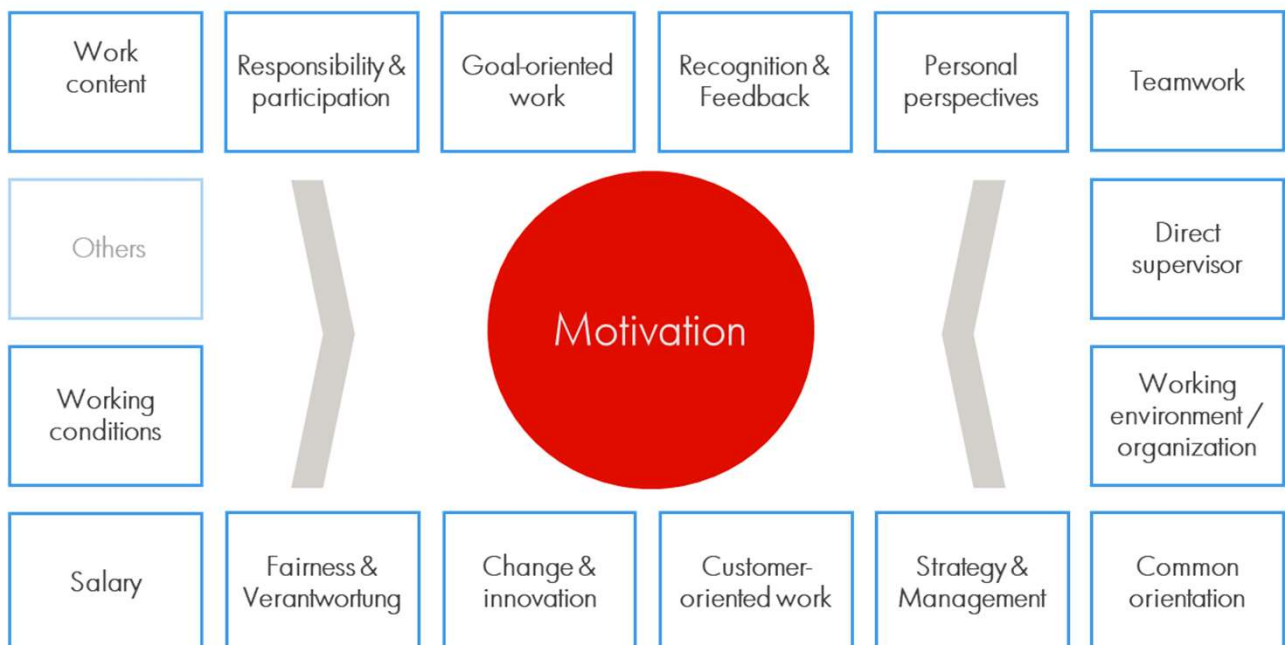

MOTIVATION is crucial!

EMPLOYEES – your potential for success needs an effective instrument

Strategic management and control systems can only lead to success with motivated and capable employees. Especially in times of change and transformation, there are various challenges to master and companies are particularly dependent on motivated employees.

The "Starter" Employee Survey from ValueQuest is a successfully established standard instrument, which especially covers the needs of small and medium-sized companies. It optimises the working atmosphere and creates a rational basis for the dialogue between management and employees.

Modell der Mitarbeiterbefragung

Testimonials

"I consider the employee survey by ValueQuest to be the best HR measure I have experienced in the last 15 years of my professional life, superbly implemented, super professionally evaluated, the results are presented in a clear and understandable way. The whole thing is a huge opportunity."

HR Responsible SME Production

"You left us very impressed. It is indeed fantastic what you have handed over to us in terms of analysis. Most companies promise more than they deliver, with ValueQuest it's the other way around. You have exceeded my expectations by far."

CEO, Non-Profit Organization, Switzerland
